Cadet A. E. Potts, son of Mr. and Mrs. Joseph Schoolfield Potts, of this city, will graduate on next Friday from the United States Military Academy at West Point. He will be the first student from Richmond to graduate from this institution in the past

Mr. Potts was given an appointment to West Point by the late United States Senator Daniel, and entered the academy on March 1, 1910. He has stood well in all of his classes, and his exemplary conduct won for him rapid promotion in the cadet corps.

Concerning Mr. Potts, the "flowitzer," the official year book of West Point, has the following to say:

He has been prominent in both compacities, especially the latter. He takes his responsibilities with characteristic seriousness, and has proven himself to be a good 'maly' and is one of the most respected 'earnest men' of the class. Along with his other virtues, let it be stated that he is yet heart-whole and fancy-free. He is always willing to soirce himself to do you a favor—generous, warm-hearted, invariably cheerful and a good friend that you can count on every time."
